WORK EXPERIENCE

Position Title Here

2019 – Present

Company | Location

This main paragraph can be utilized to summarize the position, the work you have done, or to give a short description of the company. You can also omit this paragraph and move directly to the bullets.

- Use up to 5 job description bullets for each position.
- In each bullet point, attempt to show achievement in your resume, not responsibility. Introduce experience related to the position you are looking for and eliminate all other information.
- Your current job should have the most bullets and the most detailed information. When going back in time, limit the number of points in the job description and add only the most relevant responsibilities and achievements.
- Use powerful resume action words on all bullet points, such as delivered, managed, promoted, achieved, etc.
- Do not write down all the tasks you perform. Make every key point of your resume win its place.

Position Title Here

2016 – 2019

Company | Location

This main paragraph can be utilized to summarize the position, the work you have done, or to give a short description of the company. If the company is fairly unknown, but it cooperates with well-known brands – you ought to mention it.

- Your resume should only use simple words and phrases.
- The work experience part of the resume is the basis that makes you eligible or ineligible to participate in the interview or the next step in the recruitment process.
- It is not advisable to write explanations, comments, references, etc. Only state pertinent dates, information, and achievements.

EDUCATION

Master's Degree in Major
